First Mental Arithmetic provides carefully graded questions that develop children's essential mathematics skills. A downwards extension of the Schofield & Sims bestseller Mental Arithmetic, the series comprises three workbooks for Year 1 (Books 1 to 3) and three for Year 2 (Books 4 to 6). The First Mental Arithmetic Answers book provides the correct answers to all the questions contained in the corresponding workbook. Answers to the Check-up tests are included, together with the photocopiable Group record sheets and an additional photocopiable Check-up. All the Answers books contain: correct answers to all the questions contained in the corresponding workbook, answers to the Check-ups, photocopiable Group record sheets. Search Preferences £3.95 Product Code: SS040 40 in stock Mental Arithmetic provides rich and varied practice to develop pupils' essential maths skills and prepare them for all aspects of the Key Stage 2 national tests. It may also be used as preparation for the 11+, and with older students for consolidation and recovery. Structured according to ability rather than age, the series allows children to work at their own pace, building confidence and fluency. Mental Arithmetic 5 covers the key subject areas of number, measurement, geometry and statistics, including negative numbers, Roman numerals, decimals, equivalent fractions, time tables, digital and analogue clocks, problem solving and classifying shapes. The book includes: 36 one-page tests, each presented in a unique three-part format comprising: questions where use of language is kept to a minimum; questions using number vocabulary; questions focusing on one- and two-step word problems. Progress Tests to monitor learning as pupils work through the book Check-up Tests to identify any gaps in understanding.
